Ivory & Botanical Powder Room

GRAYSON ALCHEMY / WORKING DESIGN & SOURCING SHEET

DESIGN VISUALIZATION / NOT TO SCALE

A garden room, finished in ivory

Blue-green vine wallpaper wraps the room; glossy ivory woodwork and ceiling reflect the light. Fluted green marble, pleated shades and warm brass bring depth, while woven wood and herringbone flooring soften the scheme.

IVORY GREEN BLUE BRASS

01 / WALLPAPER

Botanical vine reference

Exact maker/colorway to confirm. Alternative: Historic Wallpaper, Morris Vine on cream.

VIEW SOURCE >

02 / CEILING + ALL TRIM

Farrow & Ball New White No. 59

Proposed match: Full Gloss throughout ceiling, crown, door/window casings and base.

VIEW SOURCE >

03 / STONE BASIN + STAND

Stone Forest Fluted Lumbre

Verde Indio + Elemental Facet crossbar stand. Closest sourced alternative; approve brass finish.

VIEW SOURCE >

04 / WALL-MOUNT FAUCET

Waterworks Henry HLS311

Brass, lever handles. Include required concealed valve; verify spout reach into basin.

VIEW SOURCE >

05 / FLOOR

Havwoods walnut herringbone

Warm brown, low sheen. Confirm local supply or retain/refinish existing wood to match.

VIEW SOURCE >

06 / CEILING FIXTURE

Murano glass leaf flush mount

Layered glass leaves with brass. Vintage sourcing reference; verify dimensions and listing.

VIEW SOURCE >

07 / SCONCES / PAIR

Visual Comfort Anette RL2250

Natural brass with silk pleated shade. Close match; review projection and bathroom suitability.

VIEW SOURCE >

08 / MIRROR

Antique oval with gilt crest

Source antique or custom: slim gold frame and small crest, scaled to basin and sconces.

CUSTOM / ANTIQUE

09 / WINDOW SHADE

The Shade Store Woven Wood

Natural Standard style; honey-brown weave, inside mount. Sample material and privacy lining.

10 / FINISHING DETAILS

Wicker, botanical art + linen

Small wicker pedestal table; framed fern print, brass planter, amber soap bottle and ivory towel.

DECOR TO SOURCE

BEFORE ORDERING

Confirm room, basin, mirror and window dimensions on site. Approve wallpaper, paint and brass samples together. Coordinate wall blocking, plumbing rough-ins, electrical ratings and dimmers with the installer. Suggested light quality: warm 2700K, high CRI.

Sourced items are proposed matches, not verified products in the rendering. Swatches indicate palette only.
